

COUNTY OF LOS ANGELES  
DEPARTMENT OF PARKS AND RECREATION  
*"Creating Community Through People, Parks and Programs"*

Russ Guiney, Director

July 28, 2009

The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF REVISED FEES AND CHARGES  
(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)**

**SUBJECT**

Request to approve revisions to the Department of Parks and Recreation's Fees and Charges, effective September 1, 2009, establish a new co-sponsorship fee that will be effective on January 1, 2010, and establish a new swim lesson fee that will be effective on June 1, 2010. Revisions to the Department of Parks and Recreation's fees and charges are based on the annual review of fees charged for similar services by neighboring park agencies.

**IT IS RECOMMENDED THAT YOUR BOARD AFTER THE PUBLIC HEARING:**

1. Find that these actions are exempt from the California Environmental Quality Act pursuant to the Public Resources Code and sections of the State California Environmental Quality Act Guidelines as cited herein.
2. Adopt a resolution and approve revisions to the Department of Parks and Recreation's Fees and Charges Schedule effective September 1, 2009.
3. Establish a new 25 percent co-sponsorship fee for co-sponsored activities, effective January 1, 2010.
4. Establish a new \$20 swim lesson fee, effective June 1, 2010.

5. Delegate authority to the Director of the Department of Parks and Recreation to develop a financial aid program to provide full or partial scholarships for swim lessons for individuals who demonstrate financial need.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The Department of Parks and Recreation (Department) has completed its annual review of various fees in accordance with a 1980-81 Grand Jury recommendation. The annual review process includes obtaining fee data for similar services provided by neighboring public park agencies. The Department conducts a thorough analysis of its current fees and the collected fee data. If supported by the analysis, the Department recommends revisions to your Board for approval. The recommended actions will result in a net revenue increase which will be utilized to fund operating costs or to offset future curtailments as needed.

In addition to revising various existing fees, the Department is recommending the establishment of certain new fees, as follows:

- Establishment of a 25 percent co-sponsorship fee for co-sponsored activities, unless the program is free to the public. Co-sponsored activities are activities jointly conducted or co-sponsored by the Department and another agency or organization in order to serve the community and effectively carryout the County's responsibility in providing recreational opportunities for its residents. This fee will be effective for events on or after January 1, 2010.
- Establishment of a swim lesson fee, per person, per session at 27 County pools. Each session would be 50 minutes, five days a week, for a two week time period. A new \$20 fee would be established, per person, per session. These lessons are presently provided at no charge. This fee will be effective on June 1, 2010. The Department will offer full or partial scholarships to be applied toward the swim fee for those individuals that demonstrate financial need. The eligibility standards will be based on the Department of Social Services Food Stamps Eligibility Guidelines.

In addition the vehicle with horse trailers (over 20 feet) fee at Kenneth Hahn State Recreation Area, Peter F. Schabarum Park, and Whittier Narrows Recreation Area, is being eliminated and will now be included in the recreation vehicle entry fee.

This review indicates that the Department's current fees and charges schedule should be revised to maintain consistency with fees charged for similar services by other jurisdictions. These revisions include establishment of new fees and the revision of current fees. The new swim lesson fee is approximately 50 percent less than the average fees charged by the neighboring jurisdictions. These adjustments to the Department's schedule of fees are warranted, as outlined in Attachment I.

### **Implementation of Strategic Plan Goals**

The proposed recommendations will further the County's Strategic Plan Goals of Operational Effectiveness (Goal 1), by increasing revenues, and Children, Family, and Adult Well Being (Goal 2), by enriching lives through cost-effective activities. It will also further Strategic Plan Goal of Community and Municipal Services (Goal 3), by creating affordable, accessible, and quality activities to the surrounding community.

### **FISCAL IMPACT/FINANCING**

The recommended actions will result in an estimated net revenue increase of \$650,000 in Fiscal Year (FY) 2009-10 and an additional \$712,000 in FY 2010-11 for a grand total of \$1,362,000 which will be utilized to fund operating costs or to offset future curtailments as needed.

### **Operating Budget Impact**

The recommended actions will increase the Department's Operating revenue by an estimated \$650,000 in FY 2009-10 and an additional \$712,000 in FY 2010-11 for a grand total of \$1,362,000. The \$650,000 increase will be included in the Department's FY 2009-10 Supplemental Changes request and the \$712,000 for FY 2010-11 will be included in the Department's FY 2010-11 proposed budget request.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

All fees were reviewed to ensure that they are reasonable and cost effective in comparison to other municipal and public agencies. The results are reflected in our recommendations. The last revisions to the Department's fees and charges were adopted on September 1, 2008.

In accordance with Section 50402 of the Government Code, these changes must be approved by a resolution of your Board.

County Counsel has approved the attached resolution as to form.

### **Public Hearing Notice**

Public hearing notice requirements of Government Code Section 6062a have been satisfied and public hearing requirements of Government Code Section 66018, for fee increases will be satisfied by this action.

### **ENVIRONMENTAL DOCUMENTATION**

The proposed actions are for the purpose of: (1) meeting operating expenses, including employee wage rates and fringe benefits and/or (2) purchasing and leasing supplies, equipment or materials, and/or (3) obtaining funds for capital projects necessary to maintain service within existing service areas. Therefore, the proposed actions are not subject to California Environmental Quality Act pursuant to Section 21080 (b) (8) (A) (B) (C) of the Public Resources Code.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The increases are not anticipated to have a significant impact on services at the affected facilities.

### **CONCLUSION**

Please instruct the Executive Officer-Clerk of the Board to forward three adopted copies of this letter to the Department of Parks and Recreation for distribution.

Respectfully submitted,

RUSS GUINEY  
Director
